

'Warm Welcome North Lincs' Pledge

By joining the 'Warm Welcome North Lincs' campaign, we have pledged to provide a warm, welcoming, safe and free space for our community throughout this winter. This means:

WARM: We will provide a space that is heated to a comfortable temperature as well as offering hot drinks such as tea/coffee.

WELCOMING: We will provide a space that is inclusive, non-judgemental, and where all receive a warm welcome from staff and volunteers.

SAFE: We will provide a space that has the relevant policies and procedures, and offer basic signposting information for those in need of support.

FREE: We will provide a space that is free to enter during the advertised 'warm welcome' times, though some activities may ask for payment or donations.
